Level (R)

SNEAK ATTACK — LEVEL 1

Once per turn, you can deal an extra 1d6 damage to one creature you hit with an attack if you have advantage on the attack roll. The attack must use a finesse or a ranged weapon. You don't need advantage on the attack roll if another enemy of the target is within 5 feet o f it, that enemy isn't incapacitated, and you don't have disadvantage on the attack roll. The amount of the extra damage increases as you gain levels in this class.

CUNNING ACTION — LEVEL 2

You can take a bonus action on each of your turns in combat. This can only be used to take the Dash, Disengage, or Hide action.

ARCANE TRICKSTER FEATURE — LEVEL 3

UNCANNY DODGE — LEVEL 5

When an attacker that you can see hits you with an attack, you can use your reaction to halve the attack's damage.

EVASION — LEVEL 7

When you are subjected to an effect that allows you to make a Dexterity saving throw to take only half damage, you instead take no damage if you succeed on the saving throw, and only half damage if you fail.

ARCANE TRICKSTER FEATURE — LEVEL 9

RELIABLE TALENT — LEVEL 11

Whenever you make an ability check that lets you add your proficiency bonus, you can treat a d20 roll of 9 or lower as a 10.

ARCANE TRICKSTER FEATURE — LEVEL 13

BLINDSENSE — LEVEL 14

If you are able to hear, you are aware of the location of any hidden or invisible creature within 10 feet of you.

ARCANE TRICKSTER FEATURE — LEVEL 17

ELUSIVE — LEVEL 18

No attack roll has advantage against you while you aren't incapacitated.

STROKE OF LUCK — LEVEL 20

If your attack misses a target within range, you can turn the miss into a hit. Alternatively, if you fail an ability check, you can treat the d20 roll as a 20. Once you use this feature, you can't use it again until you finish a short or long rest.
