Piracy kills small "mom-n'-pop"  
businesses like FDG!

The image shows a template for creating 28 game board pieces. The pieces are arranged in two columns of 14 rows. Each piece is a square divided into two main sections: a wood-grain pattern on the left and a stone pattern on the right. The pieces are connected by dotted lines (score/fold) and solid lines (cut). Blue arrows indicate the direction of scoring and cutting. Small circular icons are present on the top and bottom edges of the wood-grain sections.
