

## Stone Kingdom: Door Pack I

Everything you need to start building doors for use with the Stone Kingdom Walls.

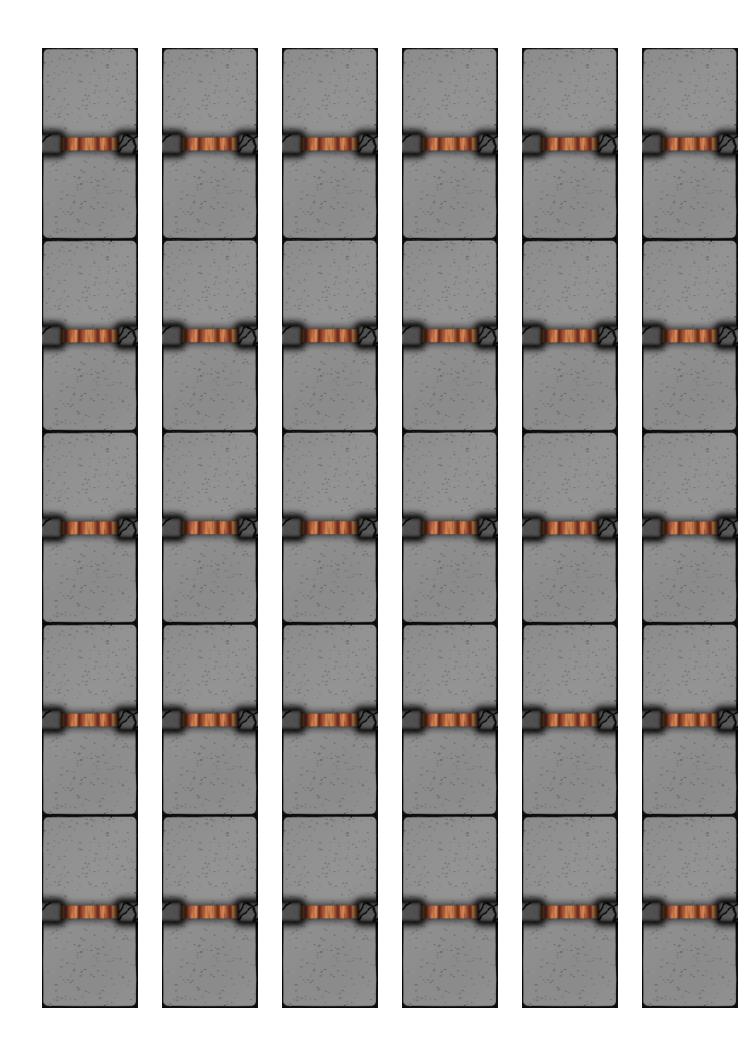

Page 2 contains 1-inch doors (closed). Page 3 has 1-inch doors (open). Pages 4 and 5 are 2-inch (double doors) both closed and open, respectively.

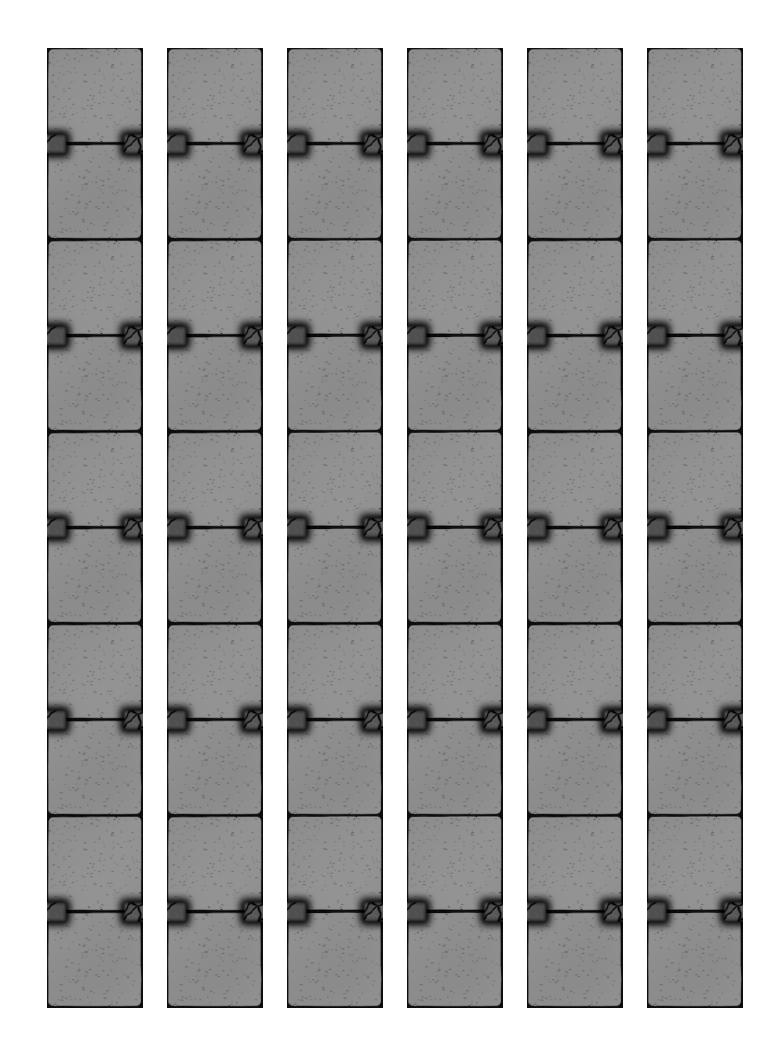

## **Using Pieces**

To use the 1-inch doors, just cut into 1x2 inch pieces and lay over the wall you need a door in.

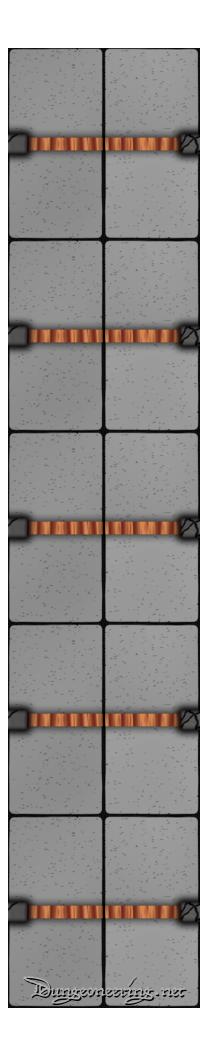

To use the 2-inch doors, just cut into  $2x^2$  inch pieces and lay over the wall you need a door in.

Remember to cut an equal number of open and closed doors so your players can easily see if a door's open or not.
