

WYRMTONGUE PETALS

Ingredient

The assassins, and many Drows, favorite natural ingredient. These jagged red petals can be found growing on Wyrmtongue flowers in almost every terrain. It's almost as if the world itself is trying to test humanity by letting these flowers grow everywhere. These petals are used as a base for toxins that can offer extremely powerful damage. For this reason, Wyrmtongue is highly illegal, and in many cases punishes owners of this flower with death.
