

Lost Mines of Phandelver Card Pack.

These are the 5 unique monsters not found in the Monster Manual from LMoP, monsters not featured in this pack are available in Monster Manual Packs currently being created.

Here are a couple of things you should probably know. First, I do not own any of the images, or have any copyrights to any of the monsters presented in this pack. These were created by me to supplement my own game play...I'm just sharing these with the community. These CAN NOT be sold...please don't try. The template was generously provided by Lloyd Pinchen, I largely used his ground work with very few tweaks for my own sanity. If you find any mistakes, have suggestions, or concerns...contact me at samccracken@gmail.com .

If you want to buy me a beer, here is my paypal account info.
