

Reference Card Pack

I created these mainly for a quick reference for new and experienced DM's to help with game flow and what not.

Here are a couple of things you should probably know. First, I do not own the D&D image, nor do I have any copyrights to any of the text in this pack. These were created by me to supplement my own game play...I'm just sharing these with the community. These CAN NOT be sold...please don't try. The template was generously provided by Lloyd Pinchen, I then butchered it to create these. If you have any suggestions for future additions or find any mistakes...email me at samccracken@gmail.com

If you want to buy me a beer, here is my paypal account info.
