The map is a hexagonal grid with a central river and various buildings. The grid is labeled with letters and numbers. The letters are arranged in a grid from R1 to GG10, and the numbers are arranged in a grid from 01 to 10. The river is a light blue feature with a red border, flowing through the center of the map. Buildings are represented by various icons, including houses, schools, and industrial structures. Roads are shown as grey lines connecting the grid cells. Green spaces and trees are scattered throughout the map.
