

Call of Cthulhu Characters

100 Characters

Here are 100 characters for you to pick from. You might think that there are a lot of unexpected weapon related skills. I could rationalise that, but I wont. That's for you to do when you create a character background. My players have taken some of these characters and simply shunted unwanted weapon skills onto other hobbies. It's quick and simple to do so. (e.g. SMG 20% moved to Fishing 20%)
