

Timeline of Fortean Events - 1900 to 1950

1900 - Man was dazed when ball lightning exploded nearby (Telemark, Norway); Sherman Church was seen entering mill building, but was never seen again. There was an extensive search, but no clues were found to his whereabouts (Augusta Mills, Battle Creek, Michigan, USA).

1901 - Fall of substance smelling like glue (Sart, Belgium); showers of stones fell on village overall several days (Harrisonville, Ohio, USA).

1902 - Sea monster seen by steamer crew: 30-35 feet long with four 5-foot high fins, head bigger than seal's (Ram Head, Australia); sea captain saw big black sea monster which dove and surfaced under his boat (City Island, New York, USA); ice-skaters were chased by an 8-foot tall hairy creature wielding a club (Chesterfield, Idaho, USA); 'ghost light' seen west of town (Hebron, Maryland, USA); crew of *SS Fort Salisbury* saw a strange submarine object 'between five and six hundred feet in length. It had two lights, one at each end. A mechanism of some kind, or fins maybe, was making a commotion in the water'. The craft 'appeared to be scaled', and it was sinking slowly (Gulf of Guinea, South Atlantic Sea); over a period of one week, five men inexplicably disappeared in separate incidences (Buffalo, USA); people in yacht saw humped sea monster, 60 feet long (Oslofjord, Norway).

1903 - Fishermen at bayside saw set of fins 20 feet and 50 feet apart, later saw head with huge green eyes (Conception Bay, Canada); small stones appeared and fell slowly in room (Sumatra); miners on night shift saw creature with 'horns and long hair, great big eyes and an inhuman look, although standing erect like a man' (Iola, Kansas, USA); fishermen saw snake-like sea monster, 120 feet long with head 20 feet above water. It had round eyes, was brown with white-brown throat, and covered with long hair that 'looked like seaweed' (Hermanus, Cape Province, South Africa).

1904 - children saw ghost of a man believed killed in 17th century Battle of Sedgemoor (Honiton, Devon, UK); body of Curé of Ars found in state of undecay, 45 years after his death (Ars, France); child touched ball lightning with foot, resulting in explosion which killed nearby cattle but left child unhurt (Deux Sevres, France); steamship *Mohican* enshrouded in strange vapour, which glowed like phosphorous' and played havoc with ships compass. Decks were magnetised and ship glowed as if on fire. After half an hour, cloud lifted and moved out to sea (Philadelphia, USA); unnatural daytime darkness lasted for 15 minutes, causing widespread panic (Memphis, USA); large round lights seen, over 7 or 8 years (Lough Erne, N.Ireland).

1905 - Sea monster with large head seen, coil seen 30 feet away from head (Fernando de Noronha, Brazil); woman in white, without wings, seen flying over town by many witnesses. Some heard 'singing' (Voltana, Spain).

1906 - Lightning struck woman and left figures on her arm resembling pheasant, snake and Chinese characters (Unionport, New Jersey, USA); officer on merchant ship saw sea monster about 180 feet long, with large dorsal fins. It overtook ship at great speed (40 miles off coast of Pernambuco, Brazil).

1907 - Fishermen saw sea monster 200 feet long (Gulf of Porto, Corsica); fall of hailstones with portrait of Virgin Mary inside (Remiremont, France); burnt body of woman found, with no damage to her clothes or objects in room (Mannar, India); ball lightning entered house and moved around in circles, smashing holes in walls (Alpena, Michigan, USA); men saw torpedo-shaped object, 6 feet long, approx. 50 feet above buildings. Tongues of fire issued from it and it was surrounded by a halo (Burlington, Vermont, USA); live toad found in rock 200 feet down in silver mine was shaft was sunk. There was no fissure in rock (Butte, Montana, USA); explorer Colonel Fawcett shot 62-foot long snake, known locally as *Sucuriju Gigante* (Rio Negro, Brazil).

1908 - Bright spherical object flew slowly at great height over city (Sofia, Bulgaria); people on board ship *Livingston* saw sea monster at least 200 feet long, dark brown with 6-foot long head, and it made loud rattling sound as it moved away (Gulf of Mexico); prisoners claimed jail was haunted, with faces seen the dark. Jailers admitted strange noises had been heard (Ashville, North Carolina, USA).

1909 - Body of Saint Bernadette Soubirous incorrupt 30 years after her death (Nevers, France); man saw grey, torpedo-shaped craft in sky with 3 occupants, one of whom shouted to him in an unknown tongue (Waipawa, New Zealand); poltergeist outbreak in railway telegraph tower (Dale, Florida, USA); winged, ram-headed monster *Jersey Devil* seen (Trenton, New Jersey, USA); fishermen saw object fly over city and fall into sea (Dong Hoi, Vietnam); red-hot metal pellets fell from sky onto beach (Santa Cruz, California, USA); mystery objects seen in skies over state (Massachusetts, USA).

1910 - Ghost ship seen, in area where many giant squids have been sighted (Conception Bay, Newfoundland, Canada); large black bird-like object fell into sea and disappeared (off Normandy Coast,

France); sea monster with 6-foot long neck and brown and hairy body seen (Kilkerrin bay, Eire); over 2 hours, stones shot upward from ground accompanied by loud detonation (Cantillana, Spain); white stone cylinder fell from sky (Westerville, Ohio, USA).

1911 - 3 witnesses saw black humped sea monster travelling at speed, which was joined by similar creature (Cotes-du-Nord, France); 2-foot long live alligator fell from sky (Evansville, Indiana, USA); unnatural daytime darkness lasted for half an hour and terrified city (Louisville, Kentucky, USA).

1912 - sighting of *Yowie* (a large hairy humanoid) drinking from creek (Bombala, New South Wales, Australia); ship's crew saw sea monster with long neck and humps (Matapan, Greece); loud detonation followed by fall of stones, with 14,000 being collected later (Louisville, Kentucky, USA); sighting of the *Palatine Light* during heavy gale, possible ghost ship (Block Island Sound, Rhode Island, USA).

1913 - Children saw little green man, which dogs then killed (Farmersville, Tennessee, USA); fall of fish from tornado-like cloud (Quirundi, New South Wales, Australia); sighting of 4-legged sea monster on west coast shore by several witnesses (Tasmania); following electrical storm, boy's presence caused objects to fly around (Jordan, Canada); remains of Blessed Maria Assunta Palotta were found perfectly preserved 8 years after her death (Tong-Eul-Chou, China).

1914 - Colonel Fawcett and companions threatened by hairy 'savages' known locally as *Maricoxis* (Cordiheira Dos Percis, Brazil); 8 witness saw strange craft on surface of sea and entities manipulating hose in water. They saw witnesses and all but one went inside, who stayed on as it took off (Georgian Bay, Ontario, Canada); sighting of long-necked creature with black, looped body like gigantic snake, also seen crawling out of water (Lough Abisdealy, Eire); woman saw two men with silvery objects on their backs, who flew away. Also seen on following day by other witnesses (Leon, Spain); man saw cigar-shaped craft with lighted windows in a field near his house, which had several 'dwarves' nearby who went aboard when he approached (Hamburg, Germany).

1915 - During severe storm, 'balls of fire' issued from plugs on switchboard at telephone exchange (Freeland, Pennsylvania, USA).

1916 - sea monster seen about 5 miles from island, at least 40 feet long with large head. It came close enough to be struck on head with oar (Melville Island, Northern Territories, Australia); man in boat saw 'periscope', 5-6 feet out of water, moving too fast for contemporary submarines (Thasos, Greece).

1917 - Large number of stones materialised in house, seen falling after sudden mid-air appearance (Helsinki, Finland); officers and men of *HMS Hilary* saw sea monster with neck 15-30 feet long, with black glossy head and triangular dorsal fin (70 miles south-east of Iceland); 3 children saw angel and the Virgin Mary (13th May), on 13th October, many witnesses awaiting appearance of the Virgin Mary saw disc moving across sky and sun 'dancing' (Fatima, Portugal); two days after leaving Falmouth, the ship *Zebrina* was found deserted. Weather had been excellent, ship was in good condition, but crew had vanished (between Falmouth and St. Brieux).

1918 - poltergeist outbreak, with physical attacks (Cherbourg, France); 3 children had total of 65 visions of the Virgin Mary (Muzillac, France); hunter saw mammoths in forests (Siberian Taiga).

1919 - Boy carrying oil back to stranded car saw 20 small humanoids walking along road (nr. Barrow, Wisconsin, USA); poltergeist outbreak, with messages from the dead (Suri, India); 40-foot long snake seen by hikers (Broad Top Mountain, Pennsylvania, USA); large fireball struck building, showering balls of fire around which floated away (Salina, Kansas, USA); two dissimilar stones, fused together, fell from sky (Cumberland Falls, Kentucky, USA); long black object flew over Madison Square, with many witnesses (New York City, USA).

1920 - 2 planes searching for missing schooner saw lights. One plane flew into large cloud and vanished. Schooner never found (Bass Strait, Victoria, Australia); fisherman saw shiny blue translucent egg-shaped object land nearby. After 15 minutes, it flew slowly away (nr. Mount Pleasant, Iowa, USA); china-like fragments fell from sky (Portland, Oregon, USA); ball lightning bounced among houses, demolishing one (South Australia); ball lightning seen, with comet-like tail and saw-tooth streaks of light. Rolled up incline, struck wall and exploded, leaving acrid smell (Johannesburg, Transvaal, South Africa).

1921 - Poltergeist outbreak centred around dying woman (Hopfgarten, Germany); thousands of small fish fell during thunderstorm (Gibraltar); giant lizard *Tatzelwurm* seen (nr. Rauris, Austria); *Yeti* footprints found at 20,000 feet by climber (Lhakpa-La, Tibet).

1922 - 2nd officer of the *Bali* saw sea monster with 15-foot long neck, grey-green in colour (Gulf of Mannar, Sri Lanka); during heavy snowstorm, exotic insects looking like spiders, caterpillars and huge

ants fell and soon died (The Alps, Switzerland); gold prospector saw monster in lake which had long, large neck (Argentina); sighting of phantom wolf (LaCrosse, Wisconsin, USA).

1923 - During violent thunderstorm, ball of fire descended and set haystack ablaze. Later several tons of glassy slag found in ashes (Quetta, Pakistan); 2 witnesses in boat saw large dark seahorse-like creature, with head 30 feet above water. It spouted water, made long whistling sound, and struck surface of water with its tail (Nouméa, New Caledonia).

1924 - Disembodied voice heard in cemetery - it seemed to move through the air and follow people. Moans, pleas for help and demoniacal laughter heard (Butler, New Jersey, USA); Albert Ostman claims to have been kidnapped by 'Bigfoot'-type creature (British Columbia, Canada); policeman and other witnesses saw creature that 'had a head like a deer, that ran like a rabbit, and had fiery eyes' (West Orange, New Jersey, USA); crew of British reconnaissance aircraft vanish in desert, their tracks stopping abruptly 40 yards from aircraft. No other tracks found despite search (Libya, North Africa).

1925 - Farmer killed unidentified animal which was killing his chickens: it had crouched posture, four webbed toes on hind feet, yellow eyes, unusual pronged molar teeth (Greenwich, New Jersey, USA); sea monster with 8-foot long neck and body with 5 loops, dirty yellow in colour, seen from steamer (Port Stephens, New South Wales, Australia); 2 men saw object like a pair of saucers face-to-face standing on legs in paddock. It had oval windows and shimmered (nr. Moora, Victoria, Australia); captain of fishing trawler saw sea monster like gigantic eel, longer than his 136-foot boat (off Boston, Massachusetts, USA); 50-foot long corpse of unidentified sea creature washed ashore (Santa Cruz, California, USA); during storm, men sheltering in barn saw ball of fire enter. One man was knocked unconscious for 8 hours, the other thrown 15 feet (Gatineau Point, Ontario, Canada); limestone ball containing marine shells and fossils fell from sky (Bleckenstad, Sweden); following accident and 2 deaths aboard *SS Watertown*, pair of phantom faces seen following ship for several days. Photos taken (between US Pacific Coast and Panama Canal); Colonel Fawcett disappears during expedition (Amazon jungles, Brazil); poltergeist outbreak centred on Eleanor Zügun, with physical attacks that continued for 2 years (Romania), climber saw *Yeti* and found footprints 6-7 inches long, at height of 15,000 feet (Zemu Glacier, Nepal); sighting of man-like creature, covered with brown fur and with 'monkey-like' face (nr. Alton, Missouri, USA).

1926 - child sees 'upside-down saucer' with lights off the north coast (Cornwall, UK).

1927 - boys saw disc-shaped domed object fly along valley and land nearby. Circle of scorched grass found at site the next day (nr. Fernvale, New South Wales, Australia); 'round globules of fire' seen at night during gale (Upstreet, Kent, UK).

1928 - trapper abducted by *Sasquatch* (Conuma River, British Columbia, Canada); live toad found entombed in rock (Eastland, Texas, USA).

1929 - haunting at Borley Rectory first reaches public notice via newspaper reports and investigation by Harry Price (Borley, Essex, UK); pillar found in limestone rock (Menominie, Wisconsin, USA); unusual carved stone head brought to the surface by quarry workers (Malakoff, Texas, USA).

1930 - 80-foot long sea monster with long neck seen (Scarborough, New South Wales, Australia); small, glistening, hairless, human-like creature entered house and terrified family (Madura, Western Australia); man saw and shot at 'thick-set black figure' which he thought was a *Mapinguary* (Wild Man) (Urúbu River, Brazil); partly fused metal bar fell from sky during violent thunderstorm (Hunchstanton, Norfolk, UK); aerial object like a 'massive sheet of shining metal' seen. It was revolving and after 40 minutes it shot upward at speed (Pietermaritzburg, Natal, South Africa).

1931 - giant reptile seen by opal prospector (South Australia); large, low, slow-moving cloud emitted continuous rumbling sound, without lightning, rain, hail, etc. (Cache Lake, Ontario, Canada).

1932 - boy saw 12-inch disc object which hovered nearby and made humming noise, with white mist around it (nr. Nambour, Queensland, Australia); zoologist saw giant bat or pterodactyl-like creature (Assumbo Mountains, Cameroon); gold prospectors using dynamite uncover small cave and the mummified remains of a 14-inch tall human sat cross-legged on a ledge (nr. Caspar, Wyoming, USA).

1933 - ball lightning fell with purple streak and struck barn with loud noise and flash (Stouffville, Ontario, Canada); ball of fire seen bouncing along hedgetops at night (Vale, Guernsey, UK); body of Saint Catherine Labouré found undecayed, 56 years after her death (Paris, France); water monster seen in marshy area linked to sea (nr. Perugia, Italy); 11-foot reptile seen and killed, carcass later burnt (nr. Syracuse, Sicily); water monster seen at river mouth (River Ticino, Italy); 90-foot creature seen in water - later, a similar creature seen ashore (St. Lucia Lake, Natal, South Africa); man saw landed craft and

opened door to see room full of instruments lit by violet light, but with no occupants (nr. Chrysville, Pennsylvania, USA).

1934 – sea monster with 3 humps covered with scales and barnacles seen by fishermen off of coast (Townsville, Queensland, Australia); long-necked creature with blue back and yellow stomach seen in water (River Doubs, Switzerland); shrieks, wails and other weird noises heard near small lake and wooded area. Sounds moved around whilst being investigated (Langhorne, Pennsylvania, USA); farmer saw dragon-like creature, tracks also found in mud (Campbell Lake, South Dakota, USA); huge sea creature with horse-like head seen in Black Sea by fishermen (Yevpatoria, Crimea); sea monster, 60-80 feet long with 6 humps seen by passengers on ocean liner (St.Thomas, Virgin Islands).

1935 – 8-foot long carcass of unidentified animal with horse-like head found (Boyd Town Beach, New South Wales, Australia); witness saw landed craft and small silver-suited entities. Square imprints and burnt area photographed on following day (Nipawin, Quebec, Canada); fishing boat crew saw 'merman'-like creature, which had shiny eyes, broad smooth forehead, with dark hair on head and around chin (nr. Shasta, California, USA); 48-foot long sea monster shot and killed by lighthouse keeper (Mutton Island, County Galway, N. Ireland); 8-foot long green and yellow reptile seen (Monterose, Italy); live scorpion found entombed in rock (Dallas, Texas, USA); unusual carved stone head found (Malakoff, Texas, USA).

1936 – Bigfoot threw rocks at men travelling in canoe (Morris Creek, British Columbia, Canada); 200-foot sea monster with 60-foot long neck seen (Port-Au-Port, Newfoundland, Canada); showers of stones and unusual lights seen by prospector (Howells, Arizona, USA); woman saw flying man, clad in black, wearing helmet and 'backpack', accompanied by rumbling noise (Pavlodar Region, Kazakhstan).

1937 – reconnaissance unit shot dead 2 man-sized ape-like creatures that were covered with reddish hair (Mongolia/USSR border); mine workers saw lights underground and saw faceless ghost (Bankfield and Little Long Lac gold mines, Ontario, Canada).

1938 – 'fireballs' fell from overcast sky, killing one person and badly burning others, and some houses were destroyed or damaged (Parajaeva, Lapland, Sweden); 3 foot long greenish-grey object seen in sky and then suddenly vanished (Juminda, Estonia); huge black cloud caused daytime darkness lasting several hours, over a wide area (Gulf of Ob, Siberia).

1939 – sighting of giant lizard, several yards long (Ossum, France); unusual carved stone head found during archaeological dig (Malakoff, Texas, USA).

1940 – 'fiery cartwheels', accompanied by rumbling sound, seen rolling along hilltops (Bata, Hungary); lake monster seen, black with 4 short legs (Lackagh Lake, County Kerry, N. Ireland).

1941 – tall, hair-covered 'wildman' captured. It did not speak, eat or drink, and was later executed as a 'spy' by partisan firing squad (Caucasus Mountains).

1942 – 'Phantom Barber' removes hair from female victims over the course of several nights (Pascagoula, Mississippi, USA).

1943 – domed object seen which flew 15 to 20 feet above ground and gave off bright white light (Qing Xian, Hubei Province, China); 6-foot long snake, yellow-brown in colour seen in water, and attacked witness (River Gudena, Jutland, Denmark).

1944 – RAAF bomber crew flying at 4500 feet saw 'dark shadow' flying alongside, which had flames coming from one end. Plane's radio and direction-finding equipment did not function until the object accelerated away (Bass Strait, Victoria, Australia); hair-covered humanoid shot and killed (Tashkurgan); sighting of giant bird (Possum Kingdom dam, Texas, USA).

1945 – 14 sailors aboard the attack transport *Delarof* see a dark sphere rise out of the ocean, follow a curved trajectory, and fly away after circling their ship (Aleutian Islands, USA).

1946 – 'Ghost rockets' seen in sky on many occasions – over Sweden, some seen crashing into lakes (i.e. Lake Kölmjärvi).

1947 – survey worker saw craft 150-foot wide, from which emerged several 7-foot tall entities. He hid after they tried to take him on board, and watched as they leapt about and threw large stones (Barú, Brazil); 5 'birds' with leathery bodies seen (Manuós, Brazil); fossil hunter saw landed craft and 2 small entities with green skin, large round eyes and slit mouths. He shouted to them and was knocked to the ground by smoke issued from the belt of one entity (nr. Villa Santena, Italy); 'pygmy' covered in reddish hair seen (Adiopodumé, Ivory Coast); passengers of ship *Llandoverly Castle* saw huge metallic cylinder,

c.1000 feet long, hovering over sea, onto which it shone searchlight (Straits of Madagascar); sea monster seen on several occasions, which had 'eyes like red searchlights' and made loud braying noise (Tiger Rocks, Natal, South Africa); airline pilots saw aerial object like metallic cylinder with 'cockpit', 'windows' and exhaust, which carried out several controlled manoeuvres (Montgomery, Alabama, USA); sea monster seen 'looping through the water'. Another sighting of this creature described it as having a cow-like head and a fin on its' back (Security Lake, Alaska, USA); 2 Bigfoot-like creatures seen crossing road by couple in car, and one creature looked through car window (nr. Shasta, California, USA); 3 witnesses saw object like inverted pie plate, with flames issuing from its sides and making a swishing sound as it flew through canyon (Snake River Canyon, Idaho, USA); Captain Mantell killed after his F-51 fighter plane crashed following pursuit of silvery object at high altitude (Goodman Air Force Base, Kentucky, USA); small 'flying wing' shaped object seen in sky (nr. Cave Creek, Arizona, USA); object looking like shiny aircraft propeller, with 10-12 cups protruding beneath each blade, seen by two witnesses as it crossed road in front of their vehicle (Indianapolis, Indiana, USA); ship *Santa Clara* collided with sea monster and water was stained with blood (nr. Cape Hatteras, North Carolina, USA); pilot Kenneth Arnold saw group of shiny unidentified craft at some distance from his aircraft (Mount Ranier, Washington, USA).

1948 – fall of hundreds of fish, from cloudless sky (Barton-on-Sea, Hampshire, UK); 3 witnesses saw 40-foot long sea monster, with head and neck 8 feet above water. Body was greyish-green in colour, with pinkish neck, and green glassy spines on its back (Carmel River, California, USA); ghost of headless man seen at night near railway tracks (Maringouin, Louisiana, USA); flying man seen, who had long silvery wings fastened over his shoulders and controls on his chest. Sighting accompanied by sizzling or whistling noise (Chehalis, Washington, USA); 3 flying men seen, without wings but wearing helmets, accompanied by engine-like sound (Longview, Washington, USA); green fireballs seen in sky (Los Alamos, New Mexico, USA).

1949 – creature seen in water which had long shaggy 'ears', with which it propelled itself along (Laurisoir Reservoir, Keynton, Victoria, Australia); pilot saw 7 delta-shaped objects which flew in formation and made co-ordinated manoeuvres. The engine of his aircraft ran rough during sighting, and upon landing it was found that spark plugs had been burnt out (Mountain Home, Idaho, USA); object like silver dollar with fin seen by 5 witnesses (Rouge River, Oregon, USA).

1950 – man walking along coast saw oval object rise from sea and fly into the air (bt. San Sebastian and Rio Grande, Argentina); 'ghost light' seen in forest (nr. Woodbridge, Manitoba, Canada); two aerial objects seen to hit water and sink (Inchon, South Korea); object seen in air and on radar, travelling at 1800mph (Kodiak, Alabama, USA); 6 to 12 objects shaped like aircraft bombs seen in sky, making noise like wind blowing through trees (Marrowbore Lake, Tennessee, USA); DC-4 aircraft destroyed when flying on stormy night, preceded by sighting of ball of fire by witnesses on ground (Benton Harbor, Michigan, USA); policemen saw jelly-like mass fall from sky into field. It gave off purple glow and evaporated (Philadelphia, Pennsylvania, USA).
