

The image displays a collection of game tokens and panels. The main grid consists of 140 circular tokens arranged in 10 columns and 14 rows. The first 10 columns contain tokens with red and blue patterns, yellow and blue patterns, and blue and white patterns. The last column contains tokens with yellow and blue patterns. Below the grid are four circular tokens with blue and white patterns, and four circular tokens with red and blue patterns. At the bottom are four rectangular panels showing a dark green liquid splashing, a fire splashing, a dark green liquid splashing, and a fire splashing.
