## B.A.D.G.E.s - Level 1

| Brutal Force – level 1 - 5♣    |   | Fire/Heat Energy — level 1 - 5♦      |   |
|--------------------------------|---|--------------------------------------|---|
|                                | Punch someone in the face and knock them out  |                                      | Cause a small flame to appear within 10 feet  |
|                                | Break a chair/table with someone's head, or vice versa  |                                      | Cause some metal to become uncomfortably warm to the touch  |
|                                | Hit two enemies simultaneously  |                                      | Cause a small amount of liquid to boil  |
|                                | Take on three enemies in a fight, and win   |                                      | Cause a nearby person to mop their brow, loosen their collar, etc.  |
| Super Strength – level 1 - 5♣  |   | Ice/Cold Energy – level 1 - 5♦       |   |
|                                | Lift an average-sized person (or equivalent weight) over your head  |                                      | Cause a small amount of water to freeze within 10 feet  |
|                                | Push a small car or push over a cow (or similar)  |                                      | Cause a nearby sheet of glass to become opaque with frost   |
|                                | Bend a metal bar, gun barrel (or similar)   |                                      | Slightly slow the reactions of a nearby person  |
|                                | Throw a large rock (or similar) twenty feet   |                                      | Cause a nearby person to shiver and their breath to steam   |
| Invulnerability – level 1 - 5♣ |   | Magno-Electric Energy – level 1 - 5♦ |   |
|                                | Be punched in the face with no visible reaction   |                                      | Cause a small metal object to fly to your hand from up to 10 feet away  |
|                                | Survive the impact to your body of a small calibre bullet   |                                      | Cause an electric light within 10 feet to go on or off  |
|                                | Heal minor flesh wounds in a matter of minutes  |                                      | Cause a low-complexity electrical item to short out   |
|                                | Ignore the effects of minor fire/cold/electricity/atomic/poison attack  |                                      | Deliver a small (non-lethal) shock to someone touching a metal object   |
| Flying – level 1 - 5♠          |   | Mind Control – level 1 - 5♥          |   |
| <b>Flying</b>                  | — level 1 - 5♠  | Mind Co                              | ontrol – level 1 - 5V   |
|                                | Survive a fall of 20 feet   |                                      | Cause an enemy to greet you as a friend   |
|                                |   |                                      |   |
|                                | Survive a fall of 20 feet   |                                      | Cause an enemy to greet you as a friend   |
|                                | Survive a fall of 20 feet Jump across a 10' gap between buildings   |                                      | Cause an enemy to greet you as a friend<br>Make someone give you a low-value, low-importance object   |
|                                | Survive a fall of 20 feet  Jump across a 10' gap between buildings  Jump over a 6' tall obstruction without touching it  Hover for three seconds  |                                      | Cause an enemy to greet you as a friend  Make someone give you a low-value, low-importance object  Make someone answer truthfully one low-importance question   |
| Super                          | Survive a fall of 20 feet  Jump across a 10' gap between buildings  Jump over a 6' tall obstruction without touching it  Hover for three seconds  Speed − level 1 - 5♠  | Telekine                             | Cause an enemy to greet you as a friend  Make someone give you a low-value, low-importance object  Make someone answer truthfully one low-importance question  Make someone forget a low-importance interaction with you  |
| Super                          | Survive a fall of 20 feet  Jump across a 10' gap between buildings  Jump over a 6' tall obstruction without touching it  Hover for three seconds  | (<br>     <br>     <br>  Telekin     | Cause an enemy to greet you as a friend  Make someone give you a low-value, low-importance object  Make someone answer truthfully one low-importance question  Make someone forget a low-importance interaction with you  esis – level 1 - 5♥   |
