

ABANDONED BUT NOT FORGOTTEN

At the sight of an abandoned building:

Choose *one* element of an abandoned building's architecture.

Use the chosen element to answer:

- What was this building's purpose?
- How did it contribute to the community?

Choose *one* element signifying the building's decay.

Use the chosen element to answer:

- What is the building's new purpose
- How does the community utilize this space now?
