STARTING MOVES

AS WISE AS MYSTERIOUS

You are an ancient fountain of knowledge, having spent each waking moment of your youth adventuring around the world. You have forgotten more of your adventures than most heroes will ever go on. Now in your elder age, you have garnered a venerable knowledge of all things to possibly encounter. You now teach and give guidance to others who have taken the same path that you had once traveled down. Whenever you Spout Lore, on a 7-9, you may also ask one question from the Discern Realities list and on a 10+, you may ask two questions instead of one.

I'M NOT GETTING ANY YOUNGER

Unless you have a Constitution of 16 or higher, you get -1 to all +STR, DEX and CON rolls. Furthermore, any armor you wear counts as having the clumsy tag.

COORDINATE YOUR EFFORTS! (INT)

When your aged eyes carefully scan over the battlefield, you provide undeniably sound tactical advice, expressed in an elegant and poetic fashion to your would-be students. Roll +INT. *On a 10+, you may ask any one question from Discern Reality list and choose 2 of the following. *On a 7-9, choose 1:

- You and your allies get +1 forward to their next Hack and Slash or Volley rolls.
- You and your allies get +1 forward to their next Defy Danger rolls.
- You and your allies get a +1 forward to their next damage rolls.
- Your insight provides an opening in the enemy's defense that can be exploited.
- The next time you or one of your allies would take damage, they take half that damage instead.

MEDITATION (WIS)

When you take a moment to sit still and reflect roll +WIS. *On a 10+, you may ask the GM a question as the secrets of the universe present themselves to you in a simple sign. *On a 7-9, as above, but choose one.

- You have been pondering for so long all your allies have slumbered off and the party must Make Camp. However, in this down time, the GM can make two moves.
- You have starved your body for too long as you contemplated life, and must consume three rations next time you Make Camp instead of one and you count the penalty from your I'm Not Getting Any Younger move as -2 instead of -1 until you have an extended rest of an hour or so.
- As the universe opens up to you, so does horrible truths that lurk amongst the darkest places in reality. You cannot speak as only failing murmurs escape your lips until you have an extended rest of an hour or so. You also cannot cast spells during this time.

RACE

HUMAN

You may add your WIS to any Parley rolls.

ELF

Ignore the I'm Not Getting Any Younger move.

DWARF

When you return to a dwarven settlement, you count your Supply rolls of 7-9 as 10.

HALFLING

Whenever you enter a city or town you have been before, you get a personal feast (ration, 1 use, 1 weight) and halfling pipeleaf (6 uses, 1 weight) for free.

BONDS

Fill in the names of your companions in at least one:

_____ is young and has much to learn.

Looks like even I can learn something from _____.

There is nothing more that I could hope to teach _____.

I like _____'s company; it's nice to have someone so entertaining around.

_____ reminds me of myself when I was that age.
