

One Shot World Print Instructions

First, go to the Extras folder.

Then, print the **Core Rules** booklet as double-sided ("long side" for duplex, short side for non-duplex), and landscape.

Fold in half and staple 5.5" down the middle edge. Then staple on the far edge (the left-side of the page) in the top, middle and bottom of the booklet.

Next, print the PDF called "**OSW Playbooks**" as double-sided ("short side"), landscape. The playbooks are meant to be folded into little booklets; the Basic & Adventuring Moves inserts should be cut down the middle.

Finally, print the GM Sheet Cheat Sheet, if you feel you need it.
