REMAINS OF IREMA'S JOURNAL

Little remains of this leather-bound research journal. Most of the pages have been torn out and those that haven't have been defiled in a number of unspeakable ways that only Orcs would conceive. However, there is still some content that is readable (if you can withstand the pungent odor). With a successful Spellcraft check (DC 30), you understand some of the content. When successful, email andrew@kenzerco.com.
