

QUIVER OF EHLONNA

CCC-TRI-12 OLMA1-2 III Met in Yraphon

This quiver is slightly worn, with design and text that says "From Pharyssolnyth to Oluevaera, with care" in ancient Elvish and Draconic still visible. Any weapon or ammunition pulled from the quiver shimmers with small motes of silver light, and smells of the deep wood.

Wondrous Item, uncommon

Please refer to the Dungeon Master's Guide for a full description of this item
