

ERRATA: MORDENKAINEN'S TOME OF FOES

This document corrects and clarifies some text in *Mordenkainen's Tome of Foes*. The changes appear in recent printings of the book, starting with the third printing.

CHAPTER 6

Orcus (p. 152). In Orcus's first lair action, "(save DC 23)" has been removed.

Red Abishai (p. 162). In the red abishai's bite attack, "(5d10 + 6)" has changed to "(3d10 + 6)".

Hellfire Engine (p. 165). In the hellfire engine's flesh-crushing stride, the fourth sentence now reads: "On a successful save, the creature is pushed to the nearest space out of the hellfire engine's path."

Zariel (p. 180). In Zariel's javelin attack, "range 30/120 ft." is now "reach 10 ft. or range 30/120 ft."
