Background

Acaleem has been called by some of the soldiers that he has served with "the drill sergeant from hell," and it's an apt description. He is a professional soldier and expects all those that serve with him to match the same dedication that he possesses. He works well in small units, but chafes under bureaucracy. Most recently, he has left the standing army of Aerithmas after another falling out with one of his superiors. He was given a dishonorable discharge, but refuses to go into the details.

Shortly after he fell into mercenary work and guarding caravans where he met Kiva. Seeing a chance to mold her into an ideal soldier, he decided to take her under his wing and help train her discipline and practice her sword skills. They met the rest of the band when they were hired by Loraen to investigate an old tower. Subsequent adventures solidified the group's bond and they began calling themselves the Band of the Broken Tower after the original Band from Copper Hill.

Traits: Opinionated, Organized, Tenacious

Distinguishing Characteristics: During combats, he tends to treat everyone like a raw recruit, giving instructions even when instructions aren't necessary. Outside of combat he is often at a loss of how to act, falling back on military norms and behavior. Shouting is a common form of interaction for Acaleem.
