Using This Product

The Cartographedia series is a hand-painted, full-color line of quality RPG maps to meet your gaming needs. Each map set includes both printer-friendly and screen friendly high-resolution maps along with plot hooks and map details.

This product contains a map for a spider cult lair of two types--a map for the lair of a humanoid cult who worships spiders and a web-filled map of the same lair infested with spiders (most likely intelligent ones). Each type includes a labeled color map with grids, an unlabeled color map, black and white labeled and unlabeled maps for home printing
