RAPPAN ATHUK RELOADED™

The Granddaddy of All Dungeons!

Bigger, better and tougher than before. This dungeon is the real deal. From the nefarious black skeletons to the lair of the lich Zekkor to its gate to the Abyss itself, Rappan Athuk is the most famous and feared dungeon in all the lands. This huge multi-level dungeon is the grand-daddy of all dungeon crawls. Not some simple grid of square rooms and straight corridors that conveniently fit on a page of graph paper, this dungeon of caverns, passages and hidden chambers defies even the most experienced adventurers to travel its halls.

You Got the Largest, Now Get the Best!

With 9 new levels and expansions of the original 26, Rappan Athuk is back in all its deadly glory. With a vastly expanded wilderness section detailing the lairs and bandits of the countryside, now it is possible to die before you even enter the dungeon. This boxed set contains three booklets, one detailing the dungeon, one containing stats for the monsters and NPCs and one compiling all the maps. Rappan Athuk Reloaded is so challenging, it includes monsters your characters have never imagined in their worst nightmares.
