VAULTS OF THE UNDERDARK™

MAP PACK

FOLDOUT BATTLE MAPS FOR YOUR D&D® CAMPAIGN

Dungeon Masters need awesome maps to create memorable encounters. This pack contains 3 full-color, double-sided, 21-by-30-inch battle maps with 1-inch grids. One map features two never-before-seen encounter locations: a mushroom-filled cavern and a dwarven fortress along an underground river. The other two battle maps are picked up from out-of-print products. You can even combine the maps in this map pack to create huge encounter areas. All the maps provide attractive, reusable terrain suitable for any D&D campaign.

Map Pack products are compatible with all editions of the *DUNGEONS & DRAGONS® Roleplaying Game* and are designed for use with D&D® miniatures.
