This PC gains access to one of the following (circle the one selected):

- This PC may take a cooshee (elven hound, *Races of the Wild*) as an animal companion even though it is a magical beast.
- This PC may join the Old Lore College of Canaith.
- This PC gains access (Frequency: Adventure) to purchase a single ring, rod, staff, or wondrous item from the *Dungeon Master's Guide* of price 50,000 gp or less. Note the item selected here: \_\_\_\_\_.
- This PC gains access (Frequency: Adventure) to purchase the *feycraft* special ability (*Dungeon Master's Guide* II) to a single weapon, armor, or shield of their choice.
- If this PC is 9<sup>th</sup> level (or higher) and possess the Leadership feat and a Leadership Score of 10 or greater, you may take a satyr as a cohort. The satyr is created using the rules in the LGCS and the stat block for a satyr with pipes in the MM (page 219). He can advance by HD or as a bard, as per the MM, and he may enter play already advanced, as long as his Cohort Level/ECL (total HD + bard levels + 2) is within the limits in the DMG (page 106). The satyr remains with you for two years from the date on this AR, after which he grows bored and wanders back to Faerie.
- If this PC is 12<sup>th</sup> level (or higher) and possess the Leadership feat and a Leadership Score of 14 or greater, you may take a faerie dragon as a cohort. The faerie dragon is created using the rules in the LGCS and the stat block for a faerie dragon in the *Draconomicon* (page 158). He can advance by HD or as a bard, as per the *Draconomicon*, and he may enter play already advanced, as long as his Cohort Level/ECL (total HD + bard levels + 2) is within the limits in the DMG (page 106). The faerie dragon remains with you for two years from the date on this AR, after which he grows bored and wanders back to Faerie.
- If this PC is 6<sup>th</sup> level (or higher) and is a female paladin, they may summon a unicorn as a paladin mount.
- If this PC is 8<sup>th</sup> level (or higher) and is a paladin, they may select a griffon as a paladin mount.
- If this PC has the wild shape class ability, they gain access to the following animal forms at the appropriate level: *megaloceros* (Frostburn, page 117), *smilodon* (Frostburn, page 118), *dire elk* (Monster Manual II, page 75).
- This PC may take a luna moth (*Heroes of Battle*, page 154) as a mount. To do so costs 6 additional TUs and a DC 20 Handle Animal check.
- This PC is awarded 1,000 acres of rural land in a cantrev of their choice as a life estate. A thousand acres is enough to found a prosperous steading which can support a large extended family. A life estate gives you full rights to use the land as you see fit as long as you pay taxes to the cantreval llwyr. The estate can be renewed for your heir at the discretion of the llwyr but this is almost always done.
- This PC discovers his *Fey King's Spear* has awakened. Contact the Geoff Triad for details.
