

# SNOWGLOBE

*Midwinter 2017 - becomes non-magical on February 1, 2018*

Fai Chen got a fantastic deal on a large number of customized *driftglobes*. These special versions are tiny glass spheres that are filled with sparkling snowflakes. They swirl and glitter in the light when shaken, and when activated the *snowglobe* leaves a faint trail of snowflakes as it hovers nearby.

**Does not count as a permanent magical item and cannot be traded.**

*Wondrous item (Driftglobe), uncommon (cannot be traded)*

*Please refer to the Dungeon Master's Guide for a full description of this item*
