

CLOAK OF PROTECTION

DDAL06-01 *A Thousand Tiny Deaths*

Wondrous item, uncommon (requires attunement)

Made of tattered, patched canvas and stitched together with thick, coarse twine; a homelier cloak you'll likely never see. The only exceptional component of the beastly thing is the saucer-sized black dragon scale that hangs over the wearer's chest when the cloak is worn. It is glossy and bears the sigil of Nightscale herself.

This item can be found in the *Dungeon Master's Guide*.
