• **Favor of the Headsman:** You have defeated the guillotine - quite literally. Zagyg watches the goings-on in Castle Greyhawk and, finding this amusing, has blessed you. The next time you are successfully affected by a vorpal effect (such as a *vorpal sword*, the vorpal tusks of a razor boar, and so on.), it is completely negated (thus you are not decapitated and you take no damage from the attack). Cross off this AR item when it is expended.

• **Spellbook:** You have gained access to a minor spellbook.
o—all PH.
1st—burning hands, cause fear, color spray, sleep, Tenser's floating disk.

• **Warden's Thanks:** You have gained the thanks of the Wartower Wardens for returning the equipment of one of their fallen comrades. In thanks, they grant you Core access to the items marked ^{ww} below.
