The Viscount's Boon - Viscount Langard is extremely pleased with your role in this mission. This is worth one influence point with him. Furthermore you may use the influence with the Viscount to reduce the cost of any one item on this AR by 10% for each influence point you spend, up to 50% (5 influence points). The item must be bought at the end of this adventure. Record the amount of influence you used and the name of the item you are applying towards the purchase.
