Welcome to the **TIANXIA ARCANA** for THE DECK OF FATE!

These cards are intended for use with *the Deck of Fate™* by Evil Hat Productions. Add these cards to your existing *Deck of Fate™* to add a distinctive *Tianxia: Blood, Silk & Jade* flavor to your games.

If you choose to leave the original Fate Arcana in your *Deck of Fate™*, these cards will add a new set of variables and Aspects to the existing deck. This will reduce the chances of drawing a Dice Card, so you will want to adjust your use of the deck accordingly.

Inside you will find:

- A 6-card "Tianxia Accelerated Arcana" deck: The six Fate Accelerated approaches illustrated with characters from the *Tianxia: Blood, Silk & Jade* core book. Art by Denise Jones.
- A 9-card "Tianxia Core Arcana" deck: Nine cards with all new inspirational titles drawn from Kung Fu virtues, with positive and negative "aspect style" text suggestions on each. Art by Denise Jones, text by Jack Norris.

The Tianxia Arcana for the Deck of Fate, all face card art, and all text on the faces of the cards are ©2015 Vigilance Press.
