THE SCORE

WHEN THE NEWS BREAKS, WE'RE THERE TO FIX IT!

Times are tough at Action Six News. We're last place in an already small market and losing ground all the time. It's not like much news-worthy stuff happens in this crappy little town anyway, and those bastards over at Action News Eleven always seem to be one step ahead of us! With advertising revenue drying up and people turning more and more to that blasted internet, sometimes you've got to get a little creative in reporting the news.

The Action Six News team could be from any small city around the United States, filled with people who desperately seek notoriety, fame or— just occasionally— a better world.

MOVIE NIGHT

Anchorman, Network, WKRP in Cincinnati (TV), News Radio (TV), Broadcast News, The Mary Tyler Moore Show (TV), the local news team from your hometown (TV)
