ARCHIVISTS

Technology is god showing its true form. It must be worshipped and read for omens—and saved from the heathens.

Reveal this card at any time during an encounter.

EFFECT: At the end of the encounter, each of your allies must make an Omega Charge check for each Omega Tech card he or she draws. Until the end of the session, whenever you draw an Alpha Mutation card, you can draw an additional card for each of those Omega Charge checks that failed.
