The Village of Bex

Author notes: This is designed to be a “Plug and play” village for a Game master needing a vibrant town for his or her group of adventures needing a place for rest, resupply, and perhaps explore. While I give brief locational information, it can easily be placed in most settings, be homemade (Homebrew) or commercial setting. If you do find this village to be useful, please drop me a line and let me know – that is the only payment I ask for someone to use it is to give me some feedback. It is based off my previous efforts such as the desert town of Sweetwater.

Best of luck in all your adventures, and have fun.

Zachariah S. Edwardson

The Village of Bex is located in the semi-wild hills north of Cavasse, and many travelers have been thankful when coming across the ridges to see the small Village of Bex surrounded by its stockade as a welcome refuge from the road. It is a friendly town, used to visitors, but expect those visitors to be on the best of behaviors.

History: It started as charcoal and blacksmith shop deep in the woods. Built on crossroads it slowly grew. The blacksmith shop has "Always been their" as the locals say, and a man named Piter has always operated the forge, over the years the village has expanded, and expects new growth as recent discoveries in the region mean that adventures will continue to arrive seeking fame and fortune.

31. **Horse Stockade** – this is the Horse Stockade for 16
32. **Riska Homestead** – This is a simple dirt-brick farmhouse owned by Nathan Riska. Nathan does not intend to be evil, but will sell his own mother to survive. (In fact, his mom was sold to illegal slavers and is reported to be in a harem in Kush Kush) He will have odds and ends and will buy things for cheap, and sell dearly. He also has a small farm outside of the city walls, but enters the city at night for protection.

Nathan Riska: Chaotic Male Farmer, Lvl: 1, Atr: 13/11/10/14/8/10 , AC: 9, HP: 2

Equipment: Sling

Looking old, and withered by the sun, he is still cold and calculating, and will do best for himself.

33. **Thighair house** - Thighair one eye is by all appearances a nearly blind old man suffering from illness, and begs on the shade in the day. The reality is that he is a masterful thief who runs the

limited underworld of Bex. He has contacts from both brigades in the woods, and any pickpocket who operates in town. He expects 10% of any shady dealing in the area. Both the Eastport and Imperial city thieves' guilds recognize that this is his territory. A party thief operating for more than a month in the area will be approached to pay up. Buried in a trapped chest under his hearth is 5,000 GP in mixed coinage, and an additional scroll of 1d4 spells of 1-3rd level.

Thighair One Eye: Neutral Male Thief, Lvl: 7, Atr: 11/7/12/13/7/10 , AC: 6, HP: 25

Equipment: Leather+1, Shortsword +2, Trident

His sword is known as Greed Kills, and faintly glows when gold is nearby.

Normally dressed as a old begger, but will get dressed in his thieves attire if need be. Thighair collects protection "tolls" from the caravans, and will deal with anyone threatening the caravans. If he feels that the person cannot be dealt with by himself, he can have 1d4+2 fighters of 2-5th level in 2 days time (Local toughs) to enforce his will.

34. **Thighair begging spot** – This is where Tighair can be found for most of the day, leaning on the Stockade.
35. **The Well** – This is the community well, and it is always watched, anyone trying to damage or poison the well will be dealt with severely.
