MYSTERY AND IMAGINATION ADVENTURE AND DEATH

Beyond the borders of civilization, beyond the influence of manipulating politicians, greedy merchants, iron-handed clergy, and the broken masses that toil for their benefit, ancient ruins call to those bold enough, and desperate enough, to escape the oppression of mundane life. Treasure and glory await those courageous enough to wrest it from the darkness. But the danger is great, for lurking in the forgotten shadows are forces far more corrupt than even civilization. The price of freedom might be paid in souls.
