Condition cards

Exhausted

The default choice for conditions.

Give to mice who go without rest, or as a failure consequence for physical exertion.

Frightened

Give to mice who face particularly terrifying creatures or magic.

Hungry

Give to mice if they go a day without consuming a ration.

Injured

A serious condition. Give to mice who take critical damage or serious physical injury.

Mad

A serious condition. Give to mice who fail at spellcasting.

Blank

Create your own conditions. Write something simple and evocative for the mouse's current predicament.
