

# **AMBUSH ALLEY MOTOR POOL**

**Ambush Alley Motor Pool provides game information for the military vehicles of 20 nations and includes nearly every APC, IFV, or AFV one is likely to encounter on modern battlefields around the world.**

**Also included is a section providing clarification and expansion of the core vehicle rules, including guidelines for determining the stats for vehicles not included in Motor Pool.**

**So, rev up your engines, power up the targeting computers, and hope for the best as you roar off down AMBUSH ALLEY!**
