

# PARANOIA

## The Mutant Experience FORM PACK

Loyal citizens of Alpha Complex!  
In furtherance of **THE COMPUTER**'s imminent victory against the mutant menace, Central Processing now makes available to you, at no cost, the forms from the fine *PARANOIA XP* supplement

### THE MUTANT EXPERIENCE

*The Mutant Experience* by R. Eric Reuss is a 72-page rules supplement for the *PARANOIA XP* roleplaying game published by Mongoose Publishing ([www.mongoosepublishing.com](http://www.mongoosepublishing.com)). *The Mutant Experience* offers new rules to ignore, new variant Alpha Complex settings, and huge heaping mounds of new mutant powers, plus many dozens of variations on the existing powers presented in the *PARANOIA XP* rulebook. Want your Troubleshooter characters to be Bouncy, Stretchy, Spiky, Forgettable or Radioactive? Interested in Call Bots, Creeping Madness, Enervating Darkness, Scream and Stench? What about new mutagens and mutation-related equipment and medications? If you too are committed to fighting the ever-present mutant threat, check out *the Mutant Experience!*

Herein find the following TWO (2) forms from *The Mutant Experience* supplement:

*Mutation Registration Form*

*Suspicion of Mutant Activity Report Form*

The Computer also generously provides TWO (2) additional forms cut for space from *The Mutant Experience*:

*Standard Affidavit of Registered Mutant Status*  
*Mandatory Survey # 993704—Mutants and You*

CPU and Mongoose Publishing authorize you to print, photocopy and/or distribute these forms **FOR PERSONAL USE ONLY**. Unauthorized use is punishable by termination and erasure. Remember, filesharing is Communism!

*A world fit for Kafka, Orwell and the Marx Brothers*

*PARANOIA* is a satirical roleplaying game set in a darkly humorous future. A well-meaning but deranged Computer desperately protects the citizens of an underground city from secret societies, mutants and all sorts of real and imagined enemies. You play a *Troubleshooter*, one of The Computer's elite agents. You track and destroy the enemies of The Computer. You hope The Computer and your fellow Troubleshooters won't find out *you* are one of these enemies.

*PARANOIA*: a lighthearted game of terror, death, bureaucracies, mad scientists, mutants, dangerous weapons and insane robots, which encourages players to lie, to cheat and to backstab each other at every turn.

Originally published in 1984, *PARANOIA* sold over 150,000 copies. The new *PARANOIA XP* edition updates Alpha Complex for this new and more paranoid time.

# Mutation Registration Form

*Distributed by Department 72 in coordination with the Office of Forms and Vouchers, PLC*

Name \_\_\_\_\_  
Date and time \_\_\_\_\_

Service firm \_\_\_\_\_  
Housing unit \_\_\_\_\_  
Per annum radiation exposure \_\_\_\_\_

**ATTACH TISSUE SAMPLE HERE**

INSTRUCTIONS: Answer all questions fully and completely. Except where indicated, check only one response for multiple choice questions. If you have speculations as to the source of your mutation, include them on the back of this form. Practice good penmanship. Trust The Computer. Failure to obey is treason.

Having a mutation makes me feel (check all that apply):

- |                                       |   |                                       |
|---------------------------------------|---|---------------------------------------|
| <input type="checkbox"/> Happy        | <input type="checkbox"/> Morose         | <input type="checkbox"/> Satisfied    |
| <input type="checkbox"/> Unhappy      | <input type="checkbox"/> Powerful       | <input type="checkbox"/> Very worried |
| <input type="checkbox"/> Enthusiastic | <input type="checkbox"/> Kind of tingly | <input type="checkbox"/> Inferior     |
| <input type="checkbox"/> Cunning      | <input type="checkbox"/> Apathetic      | <input type="checkbox"/> Despairing   |

I need to register my mutation because (check all that apply):

- |  |  |
|--|--|
| <input type="checkbox"/> I love mutants  | <input type="checkbox"/> The Computer loves mutants  |
| <input type="checkbox"/> I am being blackmailed  | <input type="checkbox"/> I dare not disobey          |
| <input type="checkbox"/> I lost a really dumb bet  | <input type="checkbox"/> Honesty is the best policy  |
| <input type="checkbox"/> I have a death wish   | <input type="checkbox"/> My head is going to explode |
| <input type="checkbox"/> My awesome might should be used for the good of all Alpha Complex |  |

**FOR AUTHORIZED USE ONLY**

|                           |       |       |
|---------------------------|-------|-------|
| INITIAL PROCESSING        |       | ID    |
| Credit Adjustment         | _____ | _____ |
| Revised Loyalty Index     | _____ | _____ |
| Mutation Classification   | _____ | _____ |
| Personality Profile Code  | _____ | _____ |
| Medication Recommendation | _____ | _____ |
| ASSIGNMENTS               |       |       |
| Registration Contact      | _____ |       |
| Medication                | _____ |       |
| Surveillance              | _____ |       |
| Termination               | _____ |       |

It takes me \_\_\_\_\_ to eat a HappyTummy Energy Bar.

- |                              |                             |   |
|------------------------------|-----------------------------|---|
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | I have been on the premises of a nuclear reactor within the last three months.  |
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | I have watched more than two complete episodes of the Best Good Happy Sector Hour.  |
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | I have heard of the secret society known as 'Psion.'  |
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | If given the choice, I would opt to terminate myself in hopes that my next clone would not suffer from this mutation.   |
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | My mutation is powerful enough to possibly harm the citizens, social institutions and/or property of Alpha Complex. If 'yes,' why should you be permitted to live on as a menace to all who surround you? If 'no,' how will your mutation be of any use to Alpha Complex? |

What can you possibly hope to accomplish that would make up for the mere fact of your blighted existence?

How long will it take you to do this?

Describe your mutation. Include specific examples with time, date, location and witnesses.

Please list all citizens you have damaged, injured or inconvenienced with your mutation. Continue on reverse if necessary.

| Citizen | Date and Time | Location | Offense |
|---------|---------------|----------|---------|
| _____   | _____         | _____    | _____   |
| _____   | _____         | _____    | _____   |
| _____   | _____         | _____    | _____   |
| _____   | _____         | _____    | _____   |

The average handling time for this form is between THREE DAYS and EIGHTEEN MONTHS. Resubmitting an identical copy of this form will not expedite processing in any way. If you need to alter or amend any information on this form, resubmit it with an attached Application Modification Rider (993-51-Z8854). Until this form has been duly and fully processed, you are not authorized to use your purported mutation in any way whatsoever. If your application for Registered Mutant status is approved, you will be retroactively subject to all requirements and regulations thereof, in accordance with section 72 of the *Laws of Alpha Complex* ed. 39/B.3.9.

# Suspicion of Mutant Activity Report Form

Distributed by Department 72 in coordination with the Office of Forms and Vouchers, PLC

| <input type="checkbox"/> Yes | <input type="checkbox"/> No | I am unusually thirsty today.     |
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | My jumpsuit fits perfectly.       |
| <input type="checkbox"/> Yes | <input type="checkbox"/> No | I have never failed The Computer. |

## FOR AUTHORIZED USE ONLY

Loyalty index \_\_\_\_\_  
Credibility index \_\_\_\_\_  
Transition rating \_\_\_\_\_

Additional notes

List all pharmaceuticals administered to you in the 24 hours prior to the observed event:

What did you do to document the suspicious activity?

How did the suspicious activity make you feel?

## ATTACHED DOCUMENTATION

| Description                    | Reference code |
|--------------------------------|----------------|
| <input type="checkbox"/> _____ | _____          |
| <input type="checkbox"/> _____ | _____          |
| <input type="checkbox"/> _____ | _____          |
| <input type="checkbox"/> _____ | _____          |
| <input type="checkbox"/> _____ | _____          |
| <input type="checkbox"/> _____ | _____          |

Check all that apply:

The observed activity might have been the result of

- |  |  |
|--|--|
| <input type="checkbox"/> a mutation          | <input type="checkbox"/> an experimental device        |
| <input type="checkbox"/> an optical illusion | <input type="checkbox"/> not enough sleep              |
| <input type="checkbox"/> bad timing          | <input type="checkbox"/> a plot against The Computer   |
| <input type="checkbox"/> weather balloons    | <input type="checkbox"/> drugs                         |
| <input type="checkbox"/> sunspots            | <input type="checkbox"/> lots and <i>lots</i> of drugs |
| <input type="checkbox"/> bots                | <input type="checkbox"/> nuclear radiation             |
| <input type="checkbox"/> too much pressure   | <input type="checkbox"/> random chance                 |

Describe the suspicious activity in detail. Include the names of all citizens involved and/or present. Note any registered mutants.

What do you wish had happened instead?

Why didn't it?

What sort of mutation do you think was involved?

Where did you learn about this mutation?

Who do you believe was ultimately responsible? Why?

Why should we believe you?

Yes  No Did you attempt to stop the suspicious activity?

If Yes, how? \_\_\_\_\_

How did you ensure your interference would not compromise the evidence against the mutant(s)?

\_\_\_\_\_

If No, why not? Do you not believe mutant powers are dangerous? Or were you simply too frightened?

The average handling time for this form is between TWO MINUTES and SEVEN WEEKS. Re-submitting an identical copy of this form will not expedite processing in any way. All witnesses of a suspicious event must submit separate paperwork. Unauthorized discussion of events prior to filing said paperwork is treason. If you need to alter or amend any information on this form, resubmit it with an attached Report Modification Rider (993-52-H1996). By submitting this report, you authorize Internal Security and/or other duly authorized representatives of The Computer to contact you about it at any time of day or night in a method of their choosing.

# Standard Affidavit of Registered Mutant Status

Distributed by Department 72 in coordination with the Office of Forms and Vouchers, PLC

Carry this affidavit on your person at all times. You are required by law to display it to any authorized citizen who requests to see it. Should this paperwork become lost or damaged, you must immediately file an 83-992/C: Affidavit Replacement Request Form, Type S.

WARNING: Unauthorized modification of this paperwork is a class KK/1 Treasonous Act!

| <input type="checkbox"/> Entertained | <input type="checkbox"/> Treasonous | <input type="checkbox"/> Subtle      |

- 2D. When did you last touch a mutant? \_\_\_\_\_

## COMPLETE THIS SECTION BEFORE READING ANY OTHER ITEMS!

0. \_\_\_\_\_
- |  |  |
|--|--|
| 1. <input type="checkbox"/> Yes <input type="checkbox"/> No  |  |
| 2. <input type="checkbox"/> Yes <input type="checkbox"/> No  | I find Cold Fun pleasingly tasty.        |
| 3. <input type="checkbox"/> Yes <input type="checkbox"/> No  | Treason is lots of fun.                  |
| 4. <input type="checkbox"/> Yes <input type="checkbox"/> No  | More drugs would make me happy.          |
| 5. <input type="checkbox"/> Yes <input type="checkbox"/> No  | Is termination acceptable?               |
| 6. <input type="checkbox"/> Yes <input type="checkbox"/> No  | I obey The Computer in all things.       |
| 7. <input type="checkbox"/> Yes <input type="checkbox"/> No  | Free love is the best love.              |
| 8. <input type="checkbox"/> Yes <input type="checkbox"/> No  | I am clever and quick-witted!            |
| 9. <input type="checkbox"/> Yes <input type="checkbox"/> No  | I promise to pay for my next six clones. |
| 10. <input type="checkbox"/> Yes <input type="checkbox"/> No | I like my current security clearance.    |
| 11. <input type="checkbox"/> Yes <input type="checkbox"/> No | IntSec should question my loyalty.       |
| 12. <input type="checkbox"/> Yes <input type="checkbox"/> No | I am proud to serve Alpha Complex.       |
| 13. <input type="checkbox"/> Yes <input type="checkbox"/> No | Fun is more important than happiness.    |
| <input type="checkbox"/> Yes <input type="checkbox"/> No     | The INFRARED market is convenient.       |
|  | I really, really like pants.             |

- 4A. Have you seen Teela O'Malley fighting mutants?  Yes  No  
If 'yes,' answer Question 3B.

- 5A. Have you ever fought a mutant?  
 Yes  No  
If 'yes,' answer Question 3B.

- 6B. Have you ever wondered if you might be a mutant?  
 Yes  No  
If 'yes,' answer Question 3B.

- 7C. How many mutations could you name offhand? \_\_\_\_\_  
If less than 5, continue with 8B. If more than 10, answer question 6A.

- 7A. Do you worry about exposure to mutagens?  Yes  No

- 8B. If you checked fewer than six choices on question 1A, answer question 6A.

- 8E. Have you ever assisted a mutant?  
 Yes  No  
If 'yes,' answer Question 6A now.

- 10A. Move on to the essay section.

- 3B. How did it make you feel?

- Continue with appropriate sub-question C.

- 4C. Did she do a good job?

Continue from your origin.

- 5C. Were you successful?

Continue from your origin with the next question to have a higher number.

- 6C. What makes you think this?

- Continue with appropriate sub-question A.

- 3A. Why are you ignoring the instructions?

Answer question 6A now.

- 8A. If the sum of your answers to 2A, 2B and 2C is less than 4, answer question 6A. If less than 8, continue with 8E.

- 8D. Have you ever tried to mutate yourself?  
 Yes  No  
If 'yes,' answer question 5C.

- 6A. Have you discussed this with Internal Security?  
 Yes  No  
If 'no,' go to the appropriate sub-question D and continue from there.

- 7D. Do you think you ought to be terminated?  
 Yes  No  
If 'no,' go to question 6C.

- 7E. Please report to Office 72.15-B /KVF.

- 9A. See question 6A.

- 9D. See question 7E.

- 6D. Go to question 8A.

- 3D. You are hereby fined 20 credits.

- 11A. Please report to Office 8.82-K/JJM.

ESSAY #1: What is the proper role of registered mutants in Alpha Complex? Please answer without using any of the following words: Complex, Computer, do, don't, I, it, mutant, mutation, power, they, think, Troubleshooter, use and vat.

ESSAY #2: How has your life been affected by mutants, both registered and not?

Thank you for taking this Mandatory Survey. No follow-up on your part is required. If further information is necessary, Internal Security will contact you.
