## PLUNGE INTO THE ABYSS

Explore the corrupt terrain of the Worldwound, one of the most terrifying lands in the Pathfinder campaign setting, with the *Wrath of the Righteous Poster Map Folio*. Study the alien home of the demons, make a stand inside a doomed city, or plot your crusade on three massive poster maps designed for use with the *Wrath of the Righteous Adventure Path*.

Huge, lavishly illustrated poster maps depict the crusader city of Kenabres (the setting for the first *Wrath of the Righteous* adventure) and the Abyss-touched territory of the Worldwound. The third map is a giant player-oriented illustration of the Abyss itself, presented as an ink-and-parchment drawing of this otherworldly realm of ultimate evil and its hideous denizens! Whether you're looking for an embattled but defiant city or a mysterious extraplanar realm, these beautiful maps are the perfect resource for the *Wrath of the Righteous Adventure Path* or any fantasy campaign.
