THE FAR SIDE OF THE WORLD

Journey from the familiar to the foreign and help place a friend on the throne of an empire in the Jade Regent Adventure Path. Along the way, you'll cross treacherous ice fields inhabited by arctic terrors, match wits and blades with the evil oni, and rally powerful factions to your banner in order to return a nation to its rightful ruler. Within this map folio, you'll find three huge 8-panel maps: one of the frozen reaches of the Crown of the World, one of Minkai's capital city of Kasai, and one of the entire continent of Tian Xia, home of the Dragon Empires and site of the final chapters in the Jade Regent Adventure Path. Even if you aren't running the Jade Regent Adventure Path, the maps inside can serve as the surroundings for all sorts of arctic adventures or urban mysteries, or an entire campaign setting for you to detail on your own! The spirit of exploration calls you—are you brave enough to answer?
