GAMEMASTERY™

MAP PACK CARAVAN

CARAVAN GUARDS WANTED!

This should be an easy job—escorting another caravan of food and travelers to the big city. What are the chances that monsters or highwaymen might attack? Unfortunately—those chances are pretty high. Paizo Publishing's GameMastery™ line of gaming accessories continues its mantra of providing simple and elegant tools for the busy Game Master with the newest GameMastery Map Pack release: *Caravans*. Inside, you'll find 18 beautiful 5" x 8" map tiles that can be combined to form any caravan that might need protection from monsters along the way. These cards present several different caravan elements, including:

Armored Wagons
Covered Wagons
Fortune Teller's Cart
Horse Train
Merchant Wagons

Game Masters shouldn't waste their time scribbling out lines of wagons every time the wandering monster table butts into the game. With *GameMastery Map Pack: Caravans*, you'll always be ready when things go bad on the road!
