## LOST IN THE WOODS

When sunlight filters through a canopy thick with hanging moss. Twisted roots turn the narrow, winding path into a treacherous obstacle, and gnarled branches seem to reach down to pluck and scratch at unwary travelers. These dense tangles can hide any number of monsters and menaces, and now they come to life in the latest of Paizo Publishing's GameMastery™ Map Packs! This line of gaming accessories provides simple and elegant tools for the busy Game Master. Inside, you'll find 18 beautiful 5" x 8" map tiles that can be combined to form a wide range of sites explorers might come across in any large woodland. These cards present several different forest elements, including:

### Blighted Forest Glen

Briar Patch

Druid Glade

Fairy Ring

Overgrown Ruins

Winding Pathways

Game Masters shouldn't waste their time drawing trees and mazes of tangled undergrowth every time the player characters wander into the woods. With *GameMastery Map Pack: Ancient Forest*, you'll always be ready with a place for your sinister forest denizens to ambush a few heroes!
