GAME MASTERY®

MAP PACK

Mooooooooooooooooo!

The lowing of cows. The smell of fresh-baked pies cooling on the windowsill. The wind rustling through crops ready for harvest. A trip to the farm should be one of relaxation, but years of gaming have taught us different—farms are no safer than dungeons, with hungry wolves, giant burrowing insects, ruthless bandits, and all matter of peril lurking just beyond the barn. In the latest of Paizo Publishing's GameMastery® Map Packs, you'll have all the maps you need the next time tragedy and terror strike on the farm! This line of gaming accessories provides simple and elegant tools for the busy Game Master. Inside, you'll find 18 beautiful 5" x 8" map tiles that can be combined to form a wide range of farms and rural adventure sites. These cards present several different farmstead elements, including:

- | | |
|----------------------|---------------------|
| Barn | Chicken Coop |
| Animal Corral | Crop Fields |
| Farmhouse | Haystacks |
| Well | Garden |

Game Masters shouldn't waste their time scribbling haystacks and animal pens every time the player characters rush to the aid of beleaguered farmers. With *GameMastery Map Pack: Farmstead*, you'll always be ready when those cow-eating monsters come calling!
