MAP PACK

YOU'RE GOING TO TOWN!

The life of an adventurer is never boring and even a simple trip into town to visit some merchants can often lead to a life or death struggle. Worse still, the town guard can get involved, landing the heroes in front of a judge or hauling them off to jail, leaving you with little choice but to stage a jailbreak. Paizo Publishing brings all of these iconic town locales to life in this latest *GameMastery Map Pack*! This line of gaming products provides simple and elegant tools for the busy Game Master. Inside, you'll find 18 beautiful 5" x 8" map tiles that can be combined to form four common locations in a fantasy town, including:

Courthouse
Town Gate

Merchant Guildhouse
City Watch Station

Game Masters shouldn't waste their time drawing the town jail every time the player characters get into a nasty bar fight. With *GameMastery Map Pack: Town*, you'll always be ready for a corrupt trial and the ensuing fight for freedom!
