PLAN YOUR NEXT GETAWAY!

Sometimes the best safe house is the one you carry with you! From a spell-erected magnificent mansion to the cloudy refuge of a rope trick, from the inside of a genie's bottle to a dimensional bolt-hole made of the raw stuff of elements, the prepared adventurer has many possible refuges and escapes. But getting there doesn't necessarily mean escaping from battles with enemies! Paizo Publishing brings a variety of extradimensional spaces to life in this latest GameMastery Map Pack! This line of gaming products provides simple and elegant tools for the busy Game Master. Inside, you'll find 18 beautiful 5" x 8" map tiles that can be combined to form eight of the most commonly encountered extradimensional spaces, including:

Rope Trick
Dimensional Prison
Fire Node

Magnificent Mansion
Air Node
Water Node

Genie Bottle
Earth Node

Game Masters shouldn't waste their time drawing a *rope trick* every time the player characters run away from their enemies. With *GameMastery Map Pack: Extradimensional Spaces*, you'll always be ready for a speedy escape or extra-planar ambush!
