THE NATIVES ARE RESTLESS

What ancient secrets lie hidden in the trackless vast of the jungle? In a realm where swarms of ravenous insects, stealthy predators, and man-eating plants are little more than the harrowing reality of everyday survival, opportunities for glory and wondrous discovery must be incredible indeed. Brave overgrown jungle ruins, a treacherous rope bridge, and the ever-present fear of cannibal rampage with Paizo Publishing's latest GameMastery Map Pack! This line of gaming products provides simple and elegant tools for the busy Game Master. Inside, you'll find 18 beautiful 5" x 8" map tiles that can be combined to form several iconic locations from classic jungle settings, including:
