GAME MASTERY[®]

MAP PACK

MAKE A PERCEPTION CHECK!

They happen in every game—unexpected attacks on unsuspecting heroes. Be it a group of thugs jumping a group that's wandered into the worst part of town or a band of sneaky goblins and their traps along a remote forest trail, ambushes are a staple of any properly-sadistic Game Master's bag of tricks. Ambushes are best when they're unexpected, and now you'll never be without maps for them, thanks to the latest of Paizo Publishing's GameMastery Map Packs! This line of gaming accessories provides simple and elegant tools for the busy Game Master. Inside, you'll find 18 captivating 5" x 8" specially coated map tiles, allowing you to use wet erase and dry erase markers, then remove the ink with ease! This set includes:

Back Alley

Narrow Bridge

Sewer Junction

Woodland Path

Cavern Corridor

Game Masters shouldn't waste their time sketching maps every time their players stumble into danger. With *GameMastery Map Pack: Ambush Sites*, you'll be ready next time your players get in over their heads!
