PATHFINDER MAP PACK

RIGHT UP YOUR ALLEY

The well-lit main streets of the city may be safe for all, but what lurks in the dark side streets and hidden cul-de-sacs? Whether adventurers are searching for the site of a secret meeting or chasing down a cunning thief, the Game Master shouldn't have to draw every trash heap or collapsed building. This Pathfinder Map Pack provides beautifully illustrated 5" x 8" map tiles that can be combined into a variety of dead ends and shadowed passages. Inside, you'll find 18 richly crafted map tiles, including:

- Collapsed Wall
- Back Alley Butcher
- Slum Quarter Well
- Market Square
- Safehouse
- Dead End

Game Masters shouldn't waste their time sketching maps every time characters duck down a side street. With *Pathfinder Map Pack: Slum Quarter Alleys*, you'll always have dangers ready when the adventurers explore the seedier side of a city!
