## IT TAKES A VILLAGE

Whether your players are investigating a crime that has torn apart a formerly peaceful hamlet, stopping over in a small town for the night, or attempting to hunt down a fugitive, weary wanderers don't want to wait for a Game Master to draw every house and tavern. This Pathfinder Map Pack provides beautifully illustrated 5" x 8" map tiles that can be used to construct a variety of village sites. Inside, you'll find 18 richly crafted map tiles, with features like:

- Country Temple
- Local Pub
- Peasant Home
- Rustic Warehouse
- Snug Cottage
- Town Fountain

Game Masters shouldn't waste their time sketching maps whenever characters decide to visit a quaint settlement. With *Pathfinder Map Pack: Village Sites*, you'll always be ready to take your players into seemingly peaceful villages—and face the dangers within!
