FIRST SESSION

Get your description in.
 Springboard off character creation.
 Ask questions.
 Don't know everything.
 Find their weak points.
 Poke the weak points you just found.
 Keep an eye out for move opportunities.
 Get them on-screen together.
 Make your NPCs obvious and loud.

I WONDER...

RANDOM TABLES

When you need to generate some random inspiration in a hurry, designate one die as 'tens' and one as 'units' and roll them together. Look up the number you get on the charts overleaf and see if anything sparks your imagination.

	OCCULT PARAPHERNALIA	PLACES	AMBIENCE	MOTIVATIONS
1	CHEMISTRY	AT HOME	DECOR	BENIGN
11	a glass beaker containing a single maggot	your house	Straight out of the 70s	At a loose end; kind of curious
12	a round-bottomed flask, balanced upside-down	their house	At least a decade's worth of dust and cobwebs	They genuinely want to help
13	a confusing tangle of fine glass tubes	their house, uninvited	'Overlord Chic'	Trying to get into your good books
14	a Bunsen burner, nonfunctional	in a car, going nowhere	Old armchairs, super-comfortable	Trying to get into your friend's good books
15	a rune-engraved centrifuge	in the garden	Old armchairs, ragged and stained	Paying back a favour they owe
16	a still	on the roof, by accident	Pristine	Under orders to be nice
2	TOMES	OUT AND ABOUT	PEOPLE	SELF-ABSORBED
21	Tavish's Bestiary of Nonexistant Beasts	an independent coffee shop	Students everywhere	Would far rather be talking to that person there
22	Social Capital	a chain coffee shop	Some sort of protest	Would far rather be talking to <i>anyone</i>
23	Gray's Anatomy	a restaurant you can't afford	Everyone's stressed	Just wants to talk about their research
24	Advanced Planar Conjunction Theory	a bar	One other person, behind a newspaper	You'd make an excellent research partner
25	the latest issue of The Journal of Sorcery	a bar for <i>adults</i> , dammit	Half human, half 'other'	You'd make an excellent research assistant
26	a hollow book	a liquor store	A watcher on the horizon	You'd make an excellent stooge or minion
3	ODDMENTS	THE UNIVERSITY	SOUNDS	MALEVOLENT
31	a Tarot deck with a unique twist	a basement lab	A single song on loop	Intimidate them
32	a Nintendo 3DS	a secret basement lab	Obnoxious engine revving from outside	Trick them
33	one of those balls-and-string executive toys	the faculty lounge	Talk radio from another plane	Distract them
34	a sheaf of summoning diagrams	an office	Rain on the windows, thunder on the horizon	Just stopped by to tell you they hate you
35	a locked metal box containing a single severed finger	an office, door locked	Birdsong from something definitely not a bird	You're between them and their desires
36	a skull that can play bridge	an office where you really shouldn't be	A raven monologuing on the nature of identity	Possessed, mind-controlled, or similar
4	STATUARY	ON CAMPUS	SMELLS	LOW KEY
41	a cheap action figure	a field at midnight	The distinctive scent of demons	Just wants sympathy after one of those days
42	an expensive action figure	the gym	Bleach	Just wants you to tell them how great they are
43	a life-sized statue of the owner	the library	Wet fur	Just wants to tell you how great they are
44	a stone hand, very realistic	the stadium on game day	Fresh-baked bread	Needs to announce their amazing news
45	petrified wood	the stadium, empty	Barbecue	Read something really funny/insightful
46	an alarm clock, acid-etched with arcane symbols	waiting for a bus	Barbec- no, wait, that's an actual fire	online"Let's talk about anything except work."
5	IT'S ALIVE	ARCANE	MAGIC, THEORETICAL	IMPRACTICAL
51	an albino rat	another plane altogether	Clocks tuned to times on different planes	Needs your help with something shady
52	a potted plant with a single, lurid flower	within a wrinkle in space-time	Bound copies of the Journal of Sorcery	Road trip!
53	a terrarium containing a two-headed snake	the other side of a mirror	Complex equations on a whiteboard	It's a pyramid scheme
54	a bottle imp	huddled around a steaming cauldron	Arcane sigils	Wants to make a bet
55	a tropical fish which can swear in six languages	shrunk down very small	Arcane energies	Blueprints for a life-size mechanical kraken
56	evidence of a cat	roll again, but haunted	Arcane energies, out of control	"I've made a terrible mistake."
6	GROSS	NIGHTLIFE	MAGIC, PRACTICAL	URGENT
61	a sealed bottle of urine labelled with date and place	a graveyard	A self-serving tea service	The call of nature
62	a mini-fridge full of blood bags	a cool nightclub	An all-in-one chicken dinner and blood sacrifice	Left food in the oven
63	brown and viscous and biological, ew	a rubbish nightclub	Dimensions stacked like pancakes	Stepped away from a time-critical experiment
64	a jar of formaldehyde containing an appendix	out in the woods	A golem servant	Being pursued by something horrible
65	a sandwich, long-forgotten and thick with mould	searching for a 24-hour restaurant with wifi	A skeleton servant	Caught in the act, or at least near the act
66	human teeth	tucked up in bed	A self-playing instrument with an excellent sense of drama	Looking for a sticking plaster, bandage, or hospital
