## ASSEMBLY

### 3D Figures

Fold figures along the interior lines, then glue to the blank end to form a 3D triangular figure, such as those on the right.

### 2D Figures

Cut off the first colored piece and keep only the middle colored figure and the silhouette for a 2D piece. You'll need to use bases for this. Bases can be purchased at our website ([www.peginc.com](http://www.peginc.com)).
