## ***Details:***

This pack provides a set of the core systems where much of the upcoming Lantern drama will unfold. Feel free to print out these maps and share with you players and friends. For those who wish to use these maps with online gaming tables, we have also provided all maps as PNGs (see your download folder.) However, please do the right thing: if you've downloaded this from a torret and intend to the maps in your games, please consider buying a copy from RPGNow or DriveThroughRPG, or subscribe to the StoryWeaver Newsletter, where we officially give away stuff like this! As you can see, we put a lot of love and time into these maps, and your support is much appreciated.

## ***Legalese:***

This game references the Savage World game system, available from Pinnacle Entertainment Group at [www.peginc.com](http://www.peginc.com). Savage Worlds and all associated logos and trademarks are copyrights of Pinnacle Entertainment Group. Used with permission. Pinnacle makes no representation or warranty as to the quality, viability, or suitability for purpose of this product.

## BUT WAIT... THERE'S MORE!

---

Join the Weavils' Journal and get free monthly products & adventures for your favorite games. Head over to the StoryWeaver website to sign up NOW!

Discuss your games with StoryWeaver's authors, and your fellow gamers. Keep an eye open for competitions too!

It's just like FaceBook, but with all those other Googly goodies. We also sometimes run demo and playtest games through Google Hangouts. Sweet.

Inspirational interviews with game developers, authors, artists, and other geeky types. Master Game Mastery with commentary from award-winning GMs and game designers. Videos for your games. And all sorts of other wonderful random stuff.

We tweet too! But not like a cute little sparrow... more like a seagull. Don't ask...
