# CODEX: CHAOS KNIGHTS

## Official Update Version 1.0

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. As they're updated regularly, each has a version number; when changes are made, the version number will be updated, and any changes from the previous version will be highlighted in **magenta**. Where a version number has a letter, e.g. 1.1a, this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

Change this Damnation to read:

'Whilst this Damnation applies, this model cannot be affected by any Stratagems used by the controlling player (including using the Command Re-roll Stratagem to re-roll a dice for this model).'
