POLICE UPGRADE SET 1: SIREN RACKS AND RIOT PODS

EBBLES MINIATURES <http://www.ebblesminiatures.com>

Notes:

Parts C1 and C6 assemble to form the Command-Communications Pod. Your choice of sirens (Parts C1-C5) may be installed on the sides marked Cx. Part D1 forms a normal siren rack. As above, your choice of sirens (Parts D2-D5) may be installed on the sides marked Dx. Last of all, Parts A1 and B1 form the business end of the riot pods, and may be installed in place of heavy weapons on models such as the Type 18, MQ-3A, and any other model with large weapon systems.
